We would like to thank Friends of School for funding the purchase of 'Gooseberry Planet.' This supports learning about online safety through gaming technology. In the course of a familiar game, children are exposed to online safety issues requiring a response such as meeting strangers, cyber-bullying, privacy settings, posting selfies and much more. Parents will be able to watch and track their children's progress and will be given hints and tips to help start a conversation about internet safety. We will be launching 'Gooseberry Planet' before the half term holiday.

Friends Of The School

Friends Of the School are hosting another fun filled and exciting Bingo night!

It will be held in our School Hall on Friday 2nd February at 6:00pm.

Food & Refreshments available.

Please come along and join in the fun!
