10.06.20

Dear Parents/Carers,

Please find attached our revised reopening plan, which commences on Monday 15<sup>th</sup> June for pupils in Nursery, Reception and keyworker/vulnerable children. **It is important that you read this plan carefully as there have been some changes to drop off/pick up times for some groups.** As we have a large number of keyworker children, from Monday these children will be split into three separate groups of Year 1/2, Year 3/4 and Year 5/6 children.

We have a few key points to remind you about:

- School closes every Friday after lunch for deep cleaning (from 19<sup>th</sup> June)
- Please drop off and collect children promptly making sure that you keep to your allotted time. The timings have been specifically planned in line with our risk assessments.
- Please maintain social distancing when dropping off and picking up children
- If your child displays symptoms they **must self-isolate** in line with government guidance. Please do not bring your child into school if they have symptoms, your child should get a test and not return until the result has been received and it is negative. The current list of symptoms are:  
High temperature  
New, continuous cough  
Loss or change to sense of smell or taste
- Please do not send your child to school for 14 days if anyone in your household has had any of the above symptoms
- Bottled water will be provided by school
- If you have not already done so, please let us know whether your child will have a school packed lunch or will bring their own from home.

Many thanks for your continued support throughout this difficult period. We are really looking forward to welcoming back children in Nursery and Reception who have been away from school during this time.

Please note that the school is closed on Friday this week for deep cleaning. If you have any questions please feel free to email them to us.

Kind regards,

J. Boyd
