Dear Parent/ Carers,

I hope you are all well and I would once again like to pass on my gratitude to you all for your continued support during these difficult times. I am sure you will have heard the Prime Minister's announcement earlier this week regarding the return of children to school. I will send a letter out soon detailing plans for this return, but I wanted to confirm that we will be open for all pupils on Monday 8<sup>th</sup> March. The arrangements will be very similar to those in September.

I would like to stress the importance of all families in following the rules that will continue to be set out to ensure a safe return for all and to continue with low cases of infection/transmission across school, pupils and families.

We can't wait for the children to be back in school and we will ensure that we support children to make it a safe and happy return. In the meantime, please encourage children to continue with their remote learning as much as possible to aid them in making a smooth transition back into class.

We will do our best to help with any difficulties or issues that you or your child may have. Please email me if you need anything at all at [swhelerton@staindropce.co.uk](mailto:swhelerton@staindropce.co.uk) or feel free to contact the teachers as usual.

Kind regards,

S Whelerton
